LONDON, Sept. 8.—Replying to the request of a newspaper for an expression of opinion on the reported offer of Premier Lloyd George with regard to the release of Lord Mayor Macdonald and the other hunger strikers, Arthur Sinnett, founder of the Sinn Fein, telegraphed as follows:

"It is amazing that your government, having tortured Irish patriots in your prisons for weeks, when they are at the point of death, offers to release them if they proclaim themselves murderers and suggests that it will kill them if they do not."

"You English are, indeed, as Tolstoy said, the most barbarous of all peoples pretending civilization."

Why Be Afraid of Good Food?

Eat What You Like Best But Follow It With a Stuart's Dyspepsia Tablet.

When the stomach sours or becomes uneasy, with heartburn, it needs the alkaline effect to offset the acid condition. This you get from one or two Stuart's Dyspepsia Tablets.

Relief is usually very prompt. The regular use of these tablets after meals keeps the stomach and small intestine in good order, and you will then be able to eat what you like and be fortified against the acid stomach due to indigestion or dyspepsia.

Biscuit Company To Build Plant Here

With the announcement that the Union Biscuit company of St. Louis will begin immediately the erection of a \$200,000 cracker and biscuit factory here, Memphis takes the lead of all other cities in the South in this industry.

The announcement was made by Mark Fenton, industrial secretary of the Chamber of Commerce, in a letter sent from St. Louis to officials of the chamber, and which was received Wednesday.

According to the letter from Fenton, the Union Biscuit company, after a thorough investigation of several cities in the South, gave him assurance that the construction of the new plant would begin immediately and that it was thought that it would be ready to start manufacturing by the first of January.

The company will advertise for bids this week, the letter stated, for the building, which will be a six-story brick structure with a floor space of 50,000 feet. Two hundred and fifty people will be employed in the new plant.

E. C. Bondurant, for several years their representative in this city, will be manager of the plant. Mr. Fenton stated in his letter. The company will manufacture about ten varieties of crackers, cookies and cakes, and the output of the factory will be used to supply the demand of the Southern states.

Mr. Fenton left Memphis last week to confer with various industrial concerns in St. Louis, Chicago and Lansing, Neb. He left St. Louis the first of the week and is now in Chicago.

FRANCIS WEIRATH, foreman at Goodrich Rubber Co., Akron, Ohio, who declares he has improved so since taking Tanlac that no one would ever take him to be the same man. Says he gained fourteen pounds.

"To look at me today no one would ever take me to be the same person I was before I began to take Tanlac. It has simply done wonders for me, and I want everybody to know about this medicine," said Francis Weirath, foreman of a large department of the Goodrich Rubber company plant at Akron, Ohio. Mr. Weirath resides at 210 West State street, that city.

"I was in an awfully bad state of health for fourteen years, and during the past ten years I got to the point where life was a burden. I suffered terribly with indigestion and dyspepsia. I never had any appetite, and all I could eat for breakfast was a soft-boiled egg and a little milk. I would get so nervous and miserable that many a night I never slept a wink, and when nothing would bring me any relief I had just about come to the conclusion my case was hopeless."

"I haven't taken but three bottles of Tanlac, but I feel better than I have felt for twelve years. I've gained fourteen pounds in weight, and am getting heavier and stronger every day. I never have indigestion any more, my appetite is splendid, and I eat just anything and everything I want. I sleep sound every night, and all that tired, worn-out feeling is gone. In fact, I am a well man in every way."

"The men at the plant all tell me I am looking fine these days and getting fat. They all want to know what I am doing to myself, and it's always a pleasure for me to tell them about Tanlac."

Tanlac is sold in Memphis by the following agents: Warnock Drug company, Vines' Pharmacy, Doyle-Turley Drug company, A. Renkert & Co., two stores; L. H. Kilpatrick, Washington-Purdy, Moore's Pharmacy, Taylor & Taylor, three stores; Washburn-Lyle Drug company; C. O. Manning and Eattier's Pharmacy.

When You Begin Feeling Bad
With Feverishness, Head-
ache, Cold, Or Constipa-
tion, Give Your Liver a
Tonic—Take Black-
Draught.

Candler, N. C.—"I don't believe there is a better medicine made than Black-Draught; I have used it and my mother's folks used it for colds, feverishness, headache and deranged liver." This statement recently was made by Mr. C. B. Trull, a well-known farmer on Route 3, this place.

"I have, before now, begun feeling dull, a headache would come on, and I would feel all full of cold, and take a few doses of Black-Draught and get all right," adds Mr. Trull.

"Last year my brother had measles, flu and pneumonia. They wired us: I went to Camp Jackson to look him up. Down there different ones were using preventatives. I stayed with him. The only thing I used was Black-Draught. It kept my system cleansed and I kept well and strong."

By keeping your liver and stomach in good order, you stand in little danger of catching serious illia that occasionally spread through town and country.

Get a package of Black-Draught and have it ready for the first symptom of a disordered liver. Most druggists sell Black-Draught.
